

Fereaștra Magazine includes detailed analyses of the Romanian sector of windows and doors systems, curtain walls and also the latest news about the raw materials and products prices. It provides information concerning the companies in the business - and system suppliers as well as data regarding the specialized trade fairs and exhibitions. The distribution of the magazine is directed to the executive staff of the specialized business organizations, contractors and officials within construction, installations and joinery companies, and also to architects, designers, investment groups etc.

Fereaștra is available free of charge on request to anyone who falls within the controlled circulation criteria. There are 8 issues of the magazine per year, including a top of local windows, doors and curtain walls companies.

It is available to anyone who does not meet the criteria at a subscription rate of €192 for 12 issues. Magazine subscription:

For international delivery: 192 euro for 12 issues
For delivery to Romania: 960 lei for 12 issues
